To Whom It May Concern:

I'm writing in support of S.B. No. 4, Session Year 2023 AN ACT CONCERNING CONNECTICUT'S PRESENT AND FUTURE HOUSING NEEDS. I support a winter eviction moratorium, facilitating tenant's rights with governmental assistance and limited rent increases for the most vulnerable tenants. Connecticut, a state with such abundant affluence, should provide support low income tenants, not just because it's the right thing to do, but because a diverse population is essential for a healthy community.

Yours truly,
